

THE DEMONIZED GIRL

A boy of 8-year-old walked the Torre del Reloj of the his village, Arquillos, thinking about what to get her younger sister .He wanted something unique and as much as I look at the Estanco or Piquitos..j but found nothing your liking!

Then he sat on the bench in the Plaza del Reloj, and saw something shiny in the distance and came to see it. It was a box with flyers Red as blood, had a black sheen and an aura about shrinking. The boy opened it and found a beautiful doll. As an angel, his face pale and perfect to not look the'd stop.

I was led to her sister, she gave a lot to see was excited and loved it.

at bedtime, she was unable to sleep because he could not stop looking at the wrist.

morning, his brother entered his room and found a bleak picture:

The girl had bleeding eyes and satanic sign engraved with blood. While chest wrist turned around the y..jsu face had changed! Now pareciaun encarnadocubierto demon blood ...

He not believes the child and his parents sought near the museum Pablo Olavide.

When everyone returned, everything was written in blood, he highlighted a circle in the center with the sign of stepping satanas.Seles occurred, and it was a big mistake because ... all became demon dolls! And as the boy found you too could doll...
