

MARTA'S STORY

January 31st , 17:30 am, Arquillos , General Riego Street .

My friends and I we celebrated a sleepover , when ... Derrepente heard a terrible noise , frightened down the hall, my parents were gone , we were alone , when you look back and Lucia , Sonia, Maria Baena , Maria Lorite , Carmen and Nadia had disappeared too, were left alone Lorena Sheila and I , and we were very frightened .

Found a note that said we were going to die, frightened and crying what we were , derrepente ...a light went on and all were alive ! It was just a joke , it was fun , and laugh all dressed up for the night of Halloween .
